JUSTIFICATION / BUSINESS NEED

This requisition supports the Enterprise Cloud Migration Project – Phase 1, approved in the IT Strategic Plan FY2024. Migration of legacy on-premise infrastructure to AWS is projected to reduce operational costs by 32% annually and improve system availability to 99.95% SLA.

CloudMinds Pvt. Ltd. was selected following a competitive RFP process (RFP-IT-2023-89) evaluating 6 vendors. CloudMinds scored highest on technical capability (94/100), cost competitiveness, and relevant experience with AWS migrations for mid-market enterprises.
