Reference SOW	SOW-TCS-STC-DM-2024-001	Reference MSA	MSA-TCS-STC-2024-001
Reference PR	PR-STC-IT-2024-0023	Budget Code	IT-DT-CAPEX-2024-DM-007

2. DESCRIPTION OF GOODS & SERVICES

This Purchase Order authorizes TCS to commence and deliver all professional services defined in SOW-TCS-STC-DM-2024-001 for the Enterprise Data Migration project of STC's Core Systems.

- Enterprise data migration planning, current-state assessment, and migration strategy development
- Legacy system data extraction, transformation, and loading (ETL) – design and execution
- Data quality assessment, profiling, masking, anonymization, and reconciliation
- Pilot migration (20% data volume) and full production migration to STC's target cloud platform
- Post-migration stabilization, hypercare support (90 days), and project closure
- Documentation, training materials, runbooks, and knowledge transfer to STC internal teams

3. LINE ITEMS, QUANTITIES & UNIT PRICES

The table below details each service line item, service code, quantity, unit price, and linked project milestone. All amounts are fixed-price per the SOW milestone schedule.

#	Service Code	Description	Qty	Unit Price (USD)	Total (USD)	Milestone
